Hazardous liquids under control

Handling flammable liquids requires caution, vigilance and attention. FALCON products provide reliable protection and maximum safety during transport and handling of hazardous substances.

The extensive FALCON range includes filling cans, jerry cans, storage and transport containers. You will also find safety containers for the safe handling of aggressive substances, as well as spray jugs, cans and dipping containers.

- ① FALCON LubriFlex dispensing jug in polyethylene (HDPE), with interchangeable spout, 5 litres, Order No. 243-461-0H, £ 86.00 / per unit
£ 82.50 / per unit from 10 units
- ② FALCON dispensing jug in stainless steel, with fine dosing tap, 1 litre, Order No. 204-058-0H, £ 164.00
- ③ FALCON dispensing jug in polyethylene (HDPE), with fine dosing tap, 1 litre, Order No. 263-213-0H, £ 81.00
- ④ FALCON safety canister in stainless steel, with transport approval, 10 litres, Order No. 180-687-0H, £ 142.00
- ⑤ FALCON safety canister in steel, painted, with dispensing tap, 10 litres, Order No. 242-250-0H, £ 89.00
- ⑥ FALCON dip tank in steel, painted, with parts basket, 8 litres, Order No. 243-454-0H, £ 204.00
- ⑦ FALCON plunger can in steel, painted, 1 litre, Order No. 187-531-0H, £ 67.00
- ⑧ FALCON plunger can in polyethylene (HDPE), 1 litre, Order No. 263-215-0H, £ 85.00
- ⑨ FALCON spray can in stainless steel, 1 litre, Order No. 204-618-0H £ 137.00

Safety begins with the right container

Choosing a suitable container is the basis for the safe handling of hazardous materials. DENIOS offers a complete range of storage and transport containers, from canisters to IBCs.

① Steel bung drum,
216.5 litres, inside bare,
Order No. 117-976-0H,
£ 108.00 / per unit
£ 105.00 / per unit from 4 units

② Steel lidded drum,
212 litres, painted inside and out,
Order No. 174-029-0H,
£ 135.00 / per unit
£ 129.00 / per unit from 4 units

③ IBC hazardous goods container, PE pallet,
1000 litres, NW150 opening, NW50 drain,
Order No. 266-167-0H,
£ 448.00 / per unit
£ 392.00 / per unit from 4 units

④ Plastic canister in polyethylene (PE),
20 litres, natural - transparent,
Order No. 266-989-0H,
£ 15.00 / per unit
£ 13.00 / per unit from 5 units

⑤ Plastic canister in polyethylene (PE),
30 litres, blue,
Order No. 266-997-0H,
£ 18.00 / per unit
£ 16.00 / per unit from 5 units

⑥ Storage and dispensing containers
in polyethylene (PE),
35 litres, natural - transparent,
Order No. 270-475-0H,
£ 62.00

⑦ Plastic bung drum,
220 litres, bung thread 3/4" and 2",
Order No. 266-141-0H,
£ 97.00 / per unit
£ 92.00 / per unit from 4 units

⑧ Plastic lidded drum,
60 litres,
Order No. 266-134-0H,
£ 47.00 / per unit
£ 44.00 / per unit from 4 units

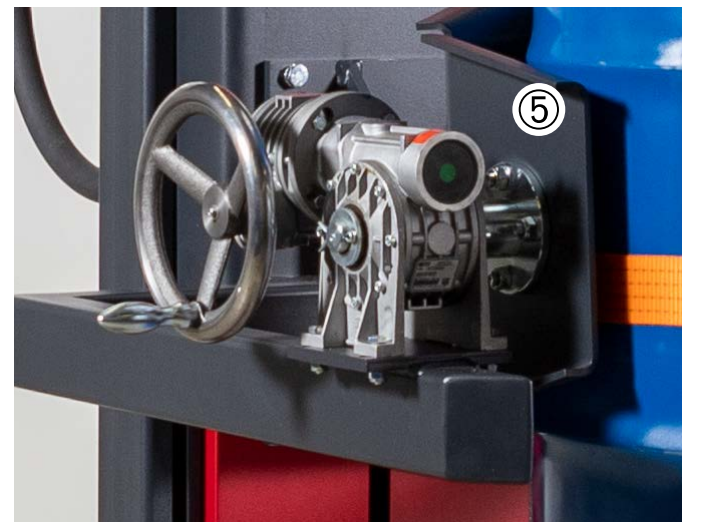

Extremely safe transport

In areas that are at risk of an explosion, you need equipment that's reliable and suitable for the environment.

DENIOS offers a wide range of solutions including drum lifters, drum trolleys, spark-free tooling and dissipative containers.

Over 2000
Ex-area products.

Find out more:
www.denios.co.uk

① Plastic bung drum, Ex-proof design, 220 litres, bung thread 2" coarse and 2" Trisure, Order No. 266-142-OH, £ 123.00 / per unit
£ 116.00 / per unit for 4 units

② IBC hazardous goods container, Ex design, steel runners, 1000 litres, NW225 opening, NW80 drain, Order No. 266-175-OH, £ 528.00 / per unit
£ 508.00 / per unit from 4 units

③ Plastic canister, polyethylene, antistatic, 60 litre capacity, black, Order No. 129-121-OH, £ 66.50 / per unit
£ 59.50 / per unit from 5 units

④ Plastic canister in polyethylene (PE), dissipative, 10 litre volume, black, Order No. 148-430-OH, £ 29.90 / per unit
£ 27.00 / per unit from 5 units

⑤ Drum lifter Secu Ex, wide wheelbase, H 2135 mm, Model W, turnable, for 60 to 220 litres drums, ATEX, Order No. 236-572-OH, £ 4,647.00

⑥ Drum trolley Secu Comfort, powder coated steel, for steel / plastic drums, dissipative, Order No. 250-280-OH, £ 35.50

⑦ Electric drum pump for solvents, 1200 mm immersion depth with residue emptying, explosion proof, Order No. 172-104-OH, £ 2,384.00

⑧ IBC funnel, dissipative, Order No. 230-342-OH, £ 226.00

Transfer flammable substances safely

Dispensing and filling flammable substances can sometimes create a hazardous electrical charge. DENIOS offers ATEX pumps with integral equipotential bonding cables and DEKRA tested hand pumps, which can be fitted with earthing cables or anti-static kits to counteract this problem.

- ① Earthing wall station with LED remote display, 5 m cable with stainless steel clamp MD 120 mm, battery, ATEX, Order No. 201-365-0H, £ 982.00
- ② Earthing cable with 2 earthing clamps, insulation and ATEX approval, 2 m cable length, Order No. 165-882-0H, £ 188.00
- ③ Earthing cable with monitoring function, 2-core, 2 stainless steel clamps ATEX: 1x LED/battery, 1x HD 235 mm, 3 m cable, Order No. 195-370-0H, £ 935.00
- ④ Ratchet set 1/2", 27 piece, 10-32 mm, special bronze, spark-free, for Ex zones, Order No. 250-346-0H, £ 1,647.00
- ⑤ Electric drum pump for solvents, 1000 mm immersion depth with residue emptying, explosion proof, Order No. 172-103-0H, £ 2,364.00
- ⑥ Pump with compressed air for solvents, container residue emptying, 1200 mm immersion depth, explosion proof, Order No. 195-013-0H, £ 2,255.00
- ⑦ Universal drum wrench, special bronze, spark-free, for Ex zones, Order No. 250-295-0H, £ 89.50
- ⑧ Pump with compressed air motor, drum emptying, 1000 mm immersion depth, pump without fittings, Ex-proof, Order No. 188-580-0H, £ 1,557.00

**Maximum
user protection for
handling tasks**

The manual transport and lifting of drums and gas cylinders doesn't just carry an increased risk of leaks and accidents, it also exposes workers to high physical stresses.

When you use DENIOS handling products, you reduce these risks to a minimum and ensure safe and efficient transport, manoeuvring and lifting.

- ① Steel cylinder trolley KM Ergo, for 1 gas cylinder with max. Ø 235 mm, pneumatic tyres, Order No. 255-319-OH, £ 745.00
- ② Drum lifter Secu Drive, narrow wheelbase, H 2135 mm, Model SK for 205/220 litre drums, electric lift, Order No. 241-937-OH, £ 3533.00
- ③ Gas cylinder pallet GFP-4 in polyethylene (PE), for up to 4 gas cylinders, with strap, Order No. 155-648-OH, £ 289.00
- ④ Gas cylinder pallet GFP 50, galvanised, for 12 cylinders with max. Ø 230 mm, Order No. 115-872-OH, £ 659.00
- ⑤ Drum dolly for 1 x 60 litre drum, with handle and 4 swivel castors, Order No. 171-741-OH, £ 56.00
- ⑥ Drum funnel in polyethylene (PE), honeycomb, 22 litre volume, with strainer and lid, Order No. 114-880-OH, £ 189.00
- ⑦ Steel drum wrench, painted, Order No. 157-449-OH, £ 27.00
- ⑧ Safety dispensing lid, for bung hole drum in steel, 205 litre volume, Order No. 164-366-OH, £ 79.50

Drum lifter Servo - pure ergonomics!

Handling hazardous substances in drums can be a difficult and dangerous task. This is when you need one of our expert range of drum lifters. With a DENIOS Servo drum lifter, customers are able to safely and efficiently transport 205 litre steel drums and 220 litre plastic drums.
